

Moraga CARES

SPONSOR A TEST FOR OUR MOST VULNERABLE SENIORS WITH A \$56 DONATION

Seniors and staff in residential housing are at the highest risk of contracting and dying from COVID-19. Your donation of \$56 (cost per test) or more will help us reach our \$14,000 goal to quickly purchase and administer testing to the residents and staff of senior care facilities in Moraga. ***Testing can't wait, we need your help today!***

In collaboration with the Contra Costa County Medical Director, MCF will fund COVID-19 testing at senior care facilities in Moraga. One round of testing will be offered to all employees and residents of these facilities. Medical professionals from our community will donate their time to administer the tests, which are provided by LabCorp.
