Federal Judge Sentences Bob Fritzky to 18 Months in Prison

MORAGA, CA -- Earlier today, United States District Judge Jon S. Tigar sentenced Francis Robert "Bob" Fritzky to serve 18 months in federal prison for his admitted crimes against the Moraga Community Foundation. The Court also awarded restitution to MCF but left the final amount of restitution to be paid by Mr. Fritzky for further hearing and decision on November 5, 2021.

Mr. Fritzky's crimes included his embezzlement scheme and thefts of more than \$330,000 from MCF over the course of 38 months, from June 2016 to August 2019. Judge Tigar considered and quite properly rejected arguments by Mr. Fritzky and his attorney that he be sentenced to only 12 months of home confinement. While MCF advocated for a longer prison term of 24 months, we appreciate the Court's thoughtful weighing of all relevant factors during the sentencing hearing.

"The Moraga Community Foundation thanks the Court and the US Attorney's Office for filing criminal charges against Mr. Fritzky. On balance we believe that justice has been done in this case," said Dave Trotter, MCF's President.
